## Welcome to North Oaks!

### Children's Worship

North Oaks is excited to be making some serious improvements to our Children's Worship. With the help of many members of the congregation, we are expanding our program for our children. The rear yard is transforming into Camp Funadoo! Our new western themed area will include a stage area, shade sails, and more to help our kids learn and engage. We plan to have the space completed and functional for the Fall Festival in October. If you have any questions about our amazing new program, please reach out to an elder or minister.

## Fall Festival

Our annual Fall Festival is fast approaching. Be sure to keep Saturday, October 24<sup>th</sup> open on your calendars for some fun activities. We will have bounce houses, food, games, prizes, a costume contest, and trunk or treating. We are going to need all the help we can get for our big community event so keep an eye out for the volunteer sign up sheets coming soon. Whether you help serve popcorn, hand out prizes, or run a game, all help will be much appreciated. Let's make this year's Fall Festival a huge success!
